

Reference :	24903
Location :	Svetvinčenat
Plot size :	639 m2

Price :	60.700 €
---------	----------

We are selling a building plot with an area of 639 m², located in an attractive and peaceful environment. The land is near an asphalt road and has access to full infrastructure. Ideal for building a vacation home or residential property.

Features:

Option to purchase additional plots of various sizes: from 600 m² to 700 m²

Well-maintained access directly to the plots

Building permits can be requested immediately

This is a great opportunity for those looking to build in an excellent location with easy access to all necessary amenities.
