We are selling land in an excellent location in the center of a smaller attractive village near Rovinj.

The land covers an area of 720 m² and is fully enclosed by a wall and dry stone wall, with a locked entrance gate (portun). On the property, there is a wooden house of 19 m² and various greenery, including an apple tree, quince, walnut, figs, and tall pines approximately 75 years old, which gives the space a special ambiance and privacy. Water (tap) and electricity connections are available on the land.

In addition to the mentioned parcel, an additional building plot of 940 m² is also for sale, ideal for a larger investment or as a separate unit.
