For sale is a building plot of 589 m² located in a quiet area of Krnica, just 2 km from the sea.

What makes this property special is the fact that it comes with an approved project and a valid building permit, allowing the new owner to start construction immediately – without lengthy waiting times and additional administrative procedures.

Land characteristics:

- Well-maintained and secured access road
- Water already connected to the plot
- Electricity connection right next to the land

The plot is ideal for building a family home, a vacation villa, or as a secure investment for tourist rental.
