For sale is a construction plot of 2,297 m² located in a quiet area near Pazin. The parcel represents an excellent opportunity for building a family home, a vacation house, multiple residential units, or an investment project.

All necessary infrastructure is located immediately adjacent to the land, including connections for electricity, water, sewage, and telephone networks, which significantly facilitates and accelerates the construction process for the future owner. An additional advantage is the asphalted access road leading directly to the parcel.

Thanks to its size, accessibility, and available infrastructure, this plot represents an excellent opportunity for private or investment construction in the heart of Istria.
