We are selling a completely renovated apartment in Duga Uvala!

The apartment has been renovated from the ground up, featuring new screed, underfloor heating throughout, new interior and exterior carpentry, and new electrical and water installations, along with custom-made furniture and kitchen.

It consists of one bedroom, a bathroom, a kitchen, a dining area, and a living room that includes a modular seating set that converts into a comfortable bed.

From the living room, there is access to a small garden.

The apartment has been used only a few times since the renovation, so everything is new.

It is sold fully furnished.

There is no parking ownership included, but there is ample parking available in the vicinity.
