The house spans three levels, each with a separate entrance, providing the possibility for use by a larger family, tourist rental, or multiple residential units. The property is categorized with 3 stars and is sold fully furnished, ready for immediate occupancy or continuation of tourist operations.

The house features 7 rooms, and additional value is provided by a new thermal facade, PVC joinery with 8-chamber profiles, aluminum shutters and insect screens, air conditioning units, and a newly installed solar power system. The yard is landscaped and fenced, with two entrances to the courtyard, and approximately 15 fruit trees are planted, including 10 olive trees, creating a true Mediterranean atmosphere.
